

Circular No.: IGX/MO/50/2021

November 24, 2021

“LIVE” trading from Disaster Recovery Site (DRS) on 26th Nov. 2021

Dear Members,

In pursuance to regulation 34.1 (ix) of PNGRB (Gas Exchange) Regulations 2020 and IGX Byelaws, Members of IGX may kindly note the following: -

IGX has a well-defined Business Continuity Plan in place for handling any exigencies or interruptions at its primary site and has a well-established Disaster Recovery Site (DR site) to handle live trading sessions and related operations from its DR site in smoothly manner.

In reference to above, IGX will be conducting the **live trading activities for trade date 26th November 2021** from its Disaster Recovery Site. The market hours for Continuous and Open Auction sessions would remain same i.e., 10:00 am to 02:00 pm. or till 03:00 pm (15 mins. block basis) in case of any market extensions. Members are hereby informed that they have to login through their usual links (same as primary site) as given in table below to connect to the DR site:

S. No.	URL	URL Link (DR Site)
1	SSL VPN URL	https://secure.igxindia.com
2	Trading URL(TWS)	https://trade.igxindia.com
3	sftp URL	https://sftp.igxindia.com

Members will be automatically redirected to the DR site. Login id and password will remain same as primary site Members are requested to take note of the same and participate in the live trading session. After completion of the DR trading session, members will be automatically routed to the primary site at the end of the day. Members Reports will be made available at member’s sftp folder as per the existing process.

For and on behalf of

Indian Gas Exchange Limited
